13.30	<b>Lunch and depart</b>	

**Hot Topics In Infection And Immunity In Children – The ESPID-Oxford Course** is a residential training course covering topics in paediatric infection for paediatric infectious disease trainees and trainers, and for all those who manage children with infections. Delegates are actively encouraged to participate in the interactive sessions to provide their knowledge and comments about the topics under review. All sessions are plenary.

### **Aims and objectives:**

The aim of this course is to provide both basic information and updates in key areas of paediatric infectious disease for both trainees and senior specialists.

### **The organising team:**

**Andrew J Pollard** is Professor of Paediatric Infection and Immunity at the University of Oxford, UK

**Adam Finn** is David Baum Professor of Paediatrics at the University of Bristol, UK and is currently the president of ESPID

**Nigel Curtis** is Professor of Paediatric Infectious Diseases at the University of Melbourne, Australia

**Octavio Ramilo** is the Henry G Cramblett Chair in PID and Professor of Pediatrics at the Ohio State University College of Medicine, USA

**Adilia Warris** is Professor, Paediatric Infectious Diseases, MRC Centre for Medical Mycology, University of Aberdeen

**Annemarie van Rossum** is Associate Professor of Pediatric Infectious Diseases and Immunology Erasmus MC, The Netherlands

**Delane Shingadia** is a Consultant in Paediatric Infectious Diseases at Great Ormond Street Hospital, London, UK.

**Sue Brockes-Smith** is Conference Organiser in the Department of Paediatrics, University of Oxford

Contact information: Sue Brockes-Smith, Conference Organiser, University of Oxford, Department of Paediatrics. Telephone: 01865 611318
